Dear Parents and Carers

WINNERS!

A huge congratulations to the Year 5/6 Girls' football team, who yesterday won the final of the Hampshire Cup after a hard-fought win against Hook-with-Warsash C of E Primary Academy at the Stoneham Park Complex in the pouring rain.

An outstanding performance by all players!

Thanks to Mr Potter and Mr Barnes for their amazing support and guidance again this season. This is our third final and second cup win in three years. What a record!

Watch out for the 'Journey to the Final' in next week's newsletter.

Light the South

We are excited to announce that our 'Little Light' has been completed and collected in readiness to be part of the Light the South trail coming to Southampton in the summer. This amazing design was created by our Art Council and painted by the super talented Meg Carr. We look forward to welcoming our Little Light back to school in September to join our little leverets. For more information about the trail please visit:

<https://lightthesouth.co.uk/>

Thank you for all of your support with the funding of this project, through book donations and book sales. If you would like to donate directly to Southampton Children's Hospital please visit this link:

First to Ten Outstandings

Congratulations to Megan (3S) and Emmy (5W) who both received their 10th Outstanding of this academic year. They both got there on the same day!

Well done girls and hopefully you will inspire other children to get there too – so many are very close!

Where are you from?

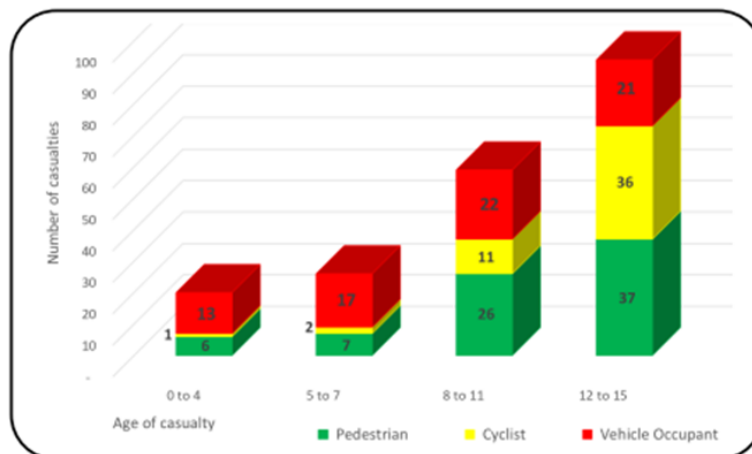

We would love to celebrate the cultural diversity of our families within our school. If you have any family members, or if your family is from somewhere outside of England, please fill out the form below. These will be compiled to go on a Geography board within school, along with a photo and quote from the child about what makes that place special to them.

Road safety

At Kings Worthy Primary, we believe it is important to reinforce the message about road safety whether we are walking, cycling, scootering or as a car passenger.

The following graph shows Hampshire's child casualties for 2022.

199 children between the ages of 0-15 years were either injured or seriously injured on Hampshire roads!! We have signed up for 2 interactive road safety sessions provided by the Hampshire Road Safety Team. These will be held in June for Years 2 and 5. These interactive sessions last between 30-45 minutes. They encourage discussions about road safety and allow children to complete activities which reinforce the importance of being safe by the road.

Reminder

The school will be closed on **Monday 6th May** for the May Day Bank Holiday.

Spelling Shed

Well done to **2C** who have knocked 4R off the top spot (although they are still close behind!). A great effort from all three classes on the leader board this week. Congratulations to Jake, who has made it to the top of the leader board for the first time and a great effort from Vlad and Felix as well. Keep up the great work.

Classes

1st Place – 2C

2nd Place – 4R

3rd Place – 2B

Individuals

1st Place – Jake, Year 2

2nd Place – Vlad, Year 4

3rd Place – Felix, Year 2

Maths Shed

It has been another exciting week on the maths shed leader board. 6S managed to keep their top spot, but the individual leader board has had a shake up! Well done to all of the winners!

Can **you** make it the top next week?

Classes

1st Place – 6S

2nd Place – 6B

3rd Place – 5S

Individuals

1st Place – Oscar C, Year 6

2nd Place – Henry, Year 6

3rd Place – Jack, Year 6

Walk to school week 2024

We have enrolled in the nationwide 'Walk to School' week which will take place **Monday 20th May – Friday 24th May**. We would like as many children as possible to walk, cycle, scoot or skate to school for this week. We appreciate that it is not always possible to avoid using the car, but if you do travel this way, why not try park and stride. There are many benefits of walking to/part of the way to school and also helps reduce the amount of traffic around the school grounds. Children will be asked to record their method of transport to school for this week. There will be a prize for the class in KS1 and KS2 who record the most sustainable journeys over the week!

We will also be running a poster competition, organised by the Hampshire Road Safety Team. More details will be provided to the children soon!!!
