Dear Parents and Carers

Calshot 2024!

WOW! What an amazing week we have just had! Calshot 2024 really lived up to its reputation and we had so much fun!

On the first day, we had a lovely lunch on the beach and then settled in to our rooms. Our afternoon of activities included sailing, kayaking, skiing and team challenges and the children spent the evening launching rockets and protecting eggs being dropped from a great height.

Over the next couple of days, they were jam packed with some great activities and team challenges. Lots of the children had a go at snowboarding, skiing, the high swing and a more chilled out session beachcombing. We even managed to fit in watching the England match!

On the final day, the children enjoyed a number of different activities including snowboarding, skiing, orienteering, archery and engineering challenges. We ended the day hanging out on the beach.

We had the most fantastic week. The children were brilliant and we are all incredibly proud of them. It's fair to say they are all now a little braver (and much more tired).

We are all incredibly proud of them - they've tried new activities, pushed themselves out of their comfort zones, faced their fears and shown some fantastic teamwork and support towards each other over the course of the week.

Year 5... we hope this makes you very excited for next year! If you have any questions, be sure to ask the Year 6s while they are still here!

(Written by Mrs Smyth)

Year 2 Recorder Concert

During their Listen2Me recorder concert this week, Year 2 put on a spectacular performance! It was lovely to see so many parents come in to see the progress the children have made. They read the music, remembered how to play different notes and watched Mrs Barfoot carefully to make sure they played at the right time. The audience really enjoyed the show!

6S's Trip to Cameron's Cottage

As a prize from James' entry into a Winchester College Competition, 6S had the opportunity to spend the day in the New Forest at Cameron's Cottage.

Throughout the day, the children took part in a range of outdoor activities, including den building and a nature walk. These activities required them to show off their brilliant teamwork and problem-solving skills.

Here's what the children had to say:

'I really enjoyed the den building in the morning because it was great how we all worked as a team!' – Stella
'When we went to Cameron's cottage, I really enjoyed the nature walk because we got to look at different kinds of bugs'. - Ameya

'I loved the nature walk because we could discover different types of trees by their leaves!' – Harriet

'I enjoyed investigating the bugs at a closer distance.' – Daisy

'It was fun when we made dens!' – James

'I liked den building and investigating different types of bugs.' - Tien

Last week of clubs

Don't forget that school clubs have now finished for the term. External clubs, Tennis, Integr8 and Spanish will still be open.

Maths Shed

It was a close call this week for the class winner, with first place getting a huge 15,000,000! Year 4 must have been working hard as all three individual winners came from the same year group. Well done to the individual winners! Can **you** make it to the top next week?

Classes

1st Place – 4R
2nd Place – 4D

Individuals

1st Place – Vlad, Year 4
2nd Place – Teo, Year 4
3rd Place – Casper, Year 4

Spelling Shed

We have seen an incredible effort from Year 4 this year, who have dominated throughout, so it is no surprise that we are ending the year with both classes on the leader board. Well done to 2C who have squeezed in between them in second place (you have made me proud!). An excellent effort from our individual leaders – Oliver, Casper and Arthur.

Although this is our last weekly league table for this year, Spelling Shed will still be available to use throughout the summer. The most effective way to use it is to play the games little and often. Happy Spelling!

Classes

1st Place – 4D
2nd Place – 2C
3rd Place – 4R

Individuals

1st Place – Oliver, Year 4
2nd Place – Casper, Year 4
3rd Place – Arthur, Year 2

Staffing Structure

Please refer to the letter sent out yesterday for details on our staffing structure for 2024-25.

Reading Trails

Well done to everyone that has taken part in the reading trail challenge this year.

Please could we have all completed reading trails to us by Friday 12th July so we can send out the final certificates in time for the final week of school.

Many thanks,

Mrs Sibbons & Mrs Atkins

10 Outstandings

A huge congratulations to both Daisy and Arnav in Year 6 who, this week, achieved their 10 outstandings.

Last Day of Term Reminder

Don't forget that the last day of term is **Friday 19th July** and all year groups should be collected at **1.15pm**.

Henry Beaufort Sports Day

On Tuesday, Year 5 went to Henry Beaufort School to take part in a sporting event involving other primary schools in the local area. The children were put into one of four houses and they joined children from other schools to take part in a range of activities. There were running races, as well as penalty shoot-out, shotput, long jump and a particular favourite - tug-of-war! Children collected stamps for every activity they took part in and they were striving to demonstrate qualities of: courage, creativity, compassion and curiosity. Particular congratulations to Jonathan in 5S, who was awarded the Head Teacher's badge for demonstrating all of these attributes. Well done to everyone who took part!
