

Allergy Awareness

We are pleased to confirm that our school is fully compliant with the requirements of Benedict's Law which came into force at the beginning of September 2026.

We have a comprehensive Allergy Safety Policy in place, and every member of staff has received specific allergy awareness and anaphylaxis training. Allergy training has, in fact, been an established part of our staff training programme for a number of years here at Kings Worthy Primary School.

Every child with an identified allergy has their own individual Allergy Action Plan, ensuring that staff are aware of their specific needs and know how to respond appropriately in an emergency. We also have the appropriate emergency adrenaline auto-injector (AAI) arrangements in place (2 x 0.15mg and 2 x 0.30mg).

We urge all parents and carers to read our requirements for items to avoid bringing into school here; <https://www.kingsworthy.hants.sch.uk/Parents/School-Day/>

The safety and wellbeing of all our pupils remains our highest priority, and we are committed to ensuring that our procedures and staff training provide the safest possible environment for children with allergies.

For more details on the national framework, visit [Benedict Blythe Foundation](#).

If you have any further questions regarding this, please speak to Mrs Cregan in the office.

Shoebox Appeal 2026

We are once again joining with the Rotary Club to send shoeboxes to children living in poverty abroad. KWPS regularly contribute 20% of the shoeboxes collected in Winchester!

If your family would like to fill a box for a child, please complete the form below, so that a box can be sent home with them.

We ask that the boxes are returned to school between 14th-16th October.

Leaflets which give details of suitable items for each age group will be sent home with each box

I would like to thank Miss Griffiths and Mrs Myers for kindly volunteering to take over the running of this scheme!

Jungle Jonathan and his Amazing Roadshow

As part of our 'Deadly 60' topic this half term, we arranged for Jonathan's Jungle Roadshow to come into school and share his selection of 'deadly' creatures with the children. Jonathan Cleverly or 'Jungle Jonathan' has over 30 years' experience of keeping and breeding reptiles and invertebrates. He spends his time visiting schools and sharing his knowledge of his creatures and letting the children get up close and personal! The children were all incredibly brave, calm and loved the experience! They were lucky enough to hold a snake, a katydid and stroke a gecko. We will now be writing a set of instructions, in our English lessons, on how to wash one of these animals for Jungle Jonathan!

For the rest of our day, the children created their own bug hotels in the Woodland Walk and went bug hunting and took part in a scavenger hunt!

Message from the PTFA

The PTFA is looking for someone to join our committee as Co-Treasurer and work alongside our current treasurer.

This is a rewarding and fulfilling role and a great opportunity to get involved in the PTFA, support the school and help make a real difference to the children and families in our community.

An accountancy or bookkeeping background would be helpful, but it's not essential. We're looking for someone who is organised, reliable and happy to learn. Our current treasurer will be there to support you every step of the way.

It's particularly important that we find someone to take on this role, as the PTFA cannot continue to operate without a treasurer. Our current treasurer is planning to step down in the future, so having someone join as Co-Treasurer now means there will be plenty of time to work together, learn the role and ensure a smooth handover. If you think you could help, or would simply like to find out a little more about what's involved, we'd love to hear from you.

 Please email kingsworthypfta@gmail.com to express your interest or ask any questions.

You don't need to be an accountant — just someone willing to get involved and help keep our PTFA running.

School uniform donation update

Please note that we are not able to accept any uniform or clothes donations for the time being. Please do not bring any second hand uniform to the school office. We are currently looking into a provision for recycling unwanted school uniform and will provide an update once we know more.

Clubs

Our autumn term clubs letter and booking link was sent out yesterday, Thursday 17th September detailing the list of clubs on offer.

The booking link will close at 6pm this Sunday 20th September so please ensure any interest in the relevant clubs has been submitted by then.

Parking

We kindly ask all parents and carers not to use the staff car parks or the disabled spaces located at the school exit.

The disabled parking bays are strictly reserved for individuals who hold a valid **Blue Badge** and require accessible entry. Unauthorised parking in both these and staff areas blocks vital access for those who need it most and creates dangerous visibility blind spots in the staff car park for children exiting the school grounds.

Thank you for your cooperation in keeping our school gates safe, clear, and accessible for everyone.

PTFA Autumn events

Thursday 8th October

Autumn disco

Thursday 22nd October

3.15pm
pumpkin walk in the
woodland

Friday 4th December

Christmas Fair for pupils
during the school day

If you would like to help at any of these events please contact
us on kingsworthyschoolptfa@gmail.com

Maths Competition Update

We are now two weeks into our half-termly Times Tables Rock Stars and Numbots challenge and it's fantastic to see so many children getting involved! The competition will continue until Friday 20th October so there's still plenty of time to climb the leader boards.

💡 Remember: the recommended amount of time is just 10 minutes per day—a little practise every day goes a long way!

Here are the results from the last 7 days:

Times Tables Rock Stars (TTRS)

Class averages this week:

- 🥇 1st – 4W
- 🥈 2nd – 3NS
- 🥉 3rd – 6C

Top players this week: (time played over the whole week)

- 🥇 1st – Louis (4W) – 118m 5s
- 🥈 2nd – Harry (6C) – 81m 10s
- 🥉 3rd – Oliver (5H) – 77m 15s

Numbots

Class averages this week:

- 🥇 1st – 1C
- 🥈 2nd – 1W
- 🥉 3rd – 2B

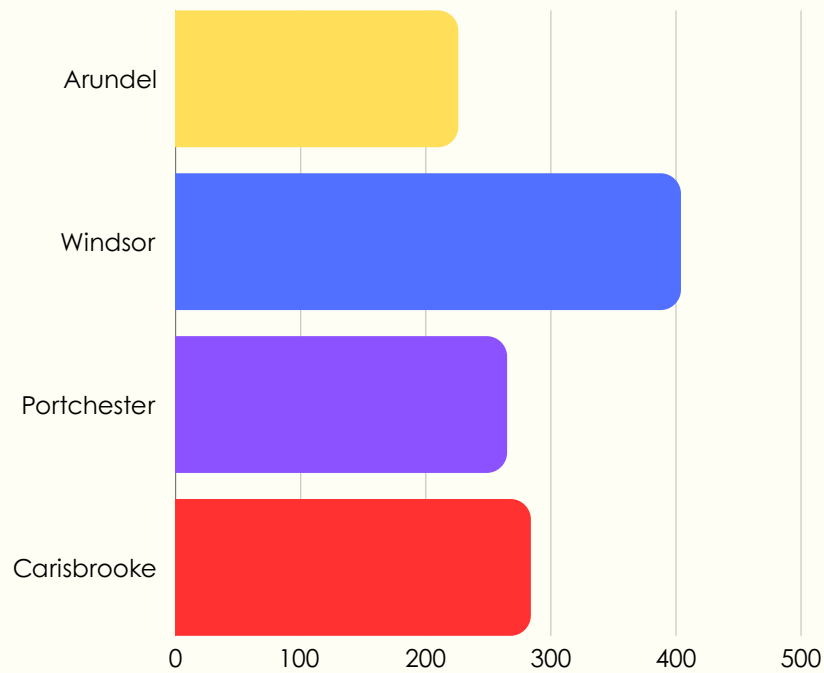

Top players this week: (time played over the whole week)

- 🥇 1st – Ezmai (1W) – 149m
- 🥈 2nd – Jonty (1W) – 102m
- 🥉 3rd – Ayan (2B) – 92m

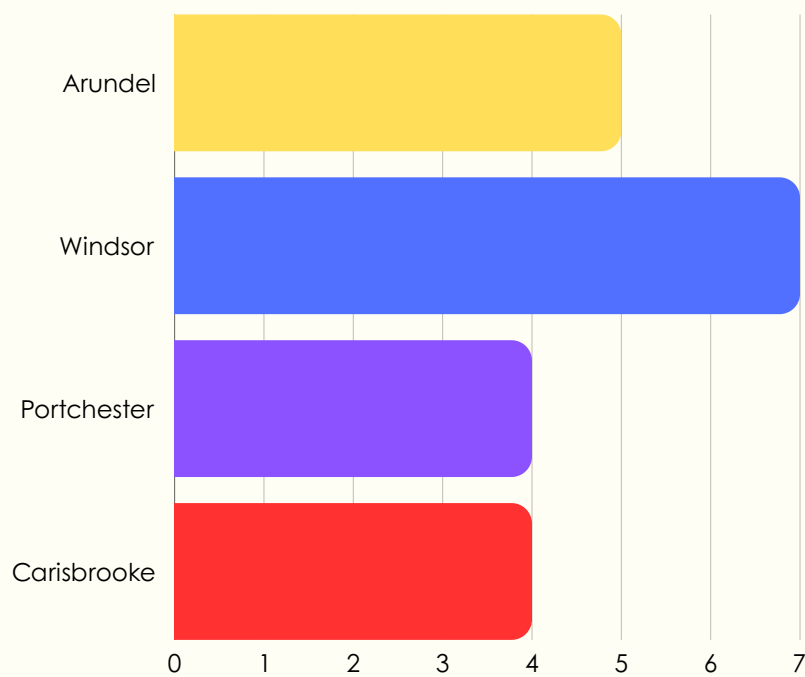

I am absolutely blown away by how active everyone has been - well done to all our players! I can't wait to see who will be on the leader board next week!
