

Ofsted

Dear Parents and Carers,

I am writing to share some wonderful news with our school community. We have received our latest Ofsted inspection report, which is attached to this letter for you to read.

We are absolutely thrilled with the outcome of the inspection. Under Ofsted's evaluation framework, our school achieved 6 'Strong' grades and 1 'Expected' grade. Under this framework, 'Expected standard' represents a high benchmark where a school is delivering everything children need and deserve, while a 'Strong standard' not only exceeds expectations, but highlights excellent, consistent work that is making a real and positive difference to pupils.

To put this incredible achievement into context:

- Across the entire country, out of the last 100 nationwide published primary inspection reports, only 6 primary schools achieved a higher rating than ours.
- Closer to home, out of the 23 Hampshire primary schools inspected under the new framework, there are none with a better rating.

This outstanding outcome is a true testament to the dedication, hard work and partnership across our entire school family:

- the children, whose enthusiasm for learning, outstanding behaviour and positive attitudes make us proud every single day.
- the staff, who work tirelessly to provide an inspiring, nurturing and high-quality education for all our pupils.
- the parents and carers, whose ongoing support, encouragement and close partnership with the school play a vital role in our shared success. A phenomenal 198 responses were provided to the Ofsted parent survey and 98% of you stated that you would recommend Kings Worthy to another parent.
- the Governors, who give their time, guidance and expertise to support and challenge our school to continuously excel.

We are delighted with the overall outcome, we wanted to offer a brief note of context regarding our 'Expected' grade in Achievement. Ofsted operates strictly on official, published data; because our strong pupil results from the last academic year do not officially go live until December, the inspection team was unable to factor them into this assessment in case of any late national adjustments.

We hope you take great pride in reading the attached report, as this achievement belongs to all of us. Thank you for your continued support as we work together to ensure our children receive the very best education and care possible.

A message from our Chair of Governors

On behalf of the governing body I would like to offer congratulations to the whole Kings Worthy School community for achieving such an exemplary Ofsted report. Your school and your children have been outstanding and this is reflected in the detailed and complimentary inspection. It is particularly pleasing to see inspectors recognising the high expectations, positivity and vibrancy of the school whilst also praising the "extremely well behaved" pupils. You should all be rightly proud of your school and your school community. Well done!

Mr John Moore

Spelling Shed

5H, 4S and 5B have once again taken the top spots on the leader board this week – what a great start to the year! Well done to our individual winners – Felix, Emily and Arthur. Great work – well done!

Classes

1 st Place – 5H

2nd Place – 4S

3rd Place – 5B

Individuals

1st Place – Felix, Year 5

2nd Place – Emily, Year 5

3rd Place – Arthur, Year 5

Happy Spelling!

Maths Competition Update

Half-Termly Maths Competition Update

We are now three weeks into our half-termly Times Tables Rock Stars and Numbots challenge and it's fantastic to see so many children getting involved! The competition continues until Friday 23rd October, so there's still plenty of time to log on, practise and work your way up the leaderboard.

Top Tip: Just 10 minutes a day makes a huge difference - keep it short and consistent!

Here are the results from the last 7 days:

Times Tables Rock Stars (TTRS)

Class averages this week:

-  1st – 3NS
-  2nd – 4W
-  3rd – 3S

Top players this week (total time played this week):

-  1st – Louis B (4W) – 47m
-  2nd – Vikram (5B) – 45m
-  3rd – Rafferty O. (4W) – 29m

Numbots

Class averages this week:

-  1st – 1W
-  2nd – 2B
-  3rd – 1C

Top players this week (total time played):

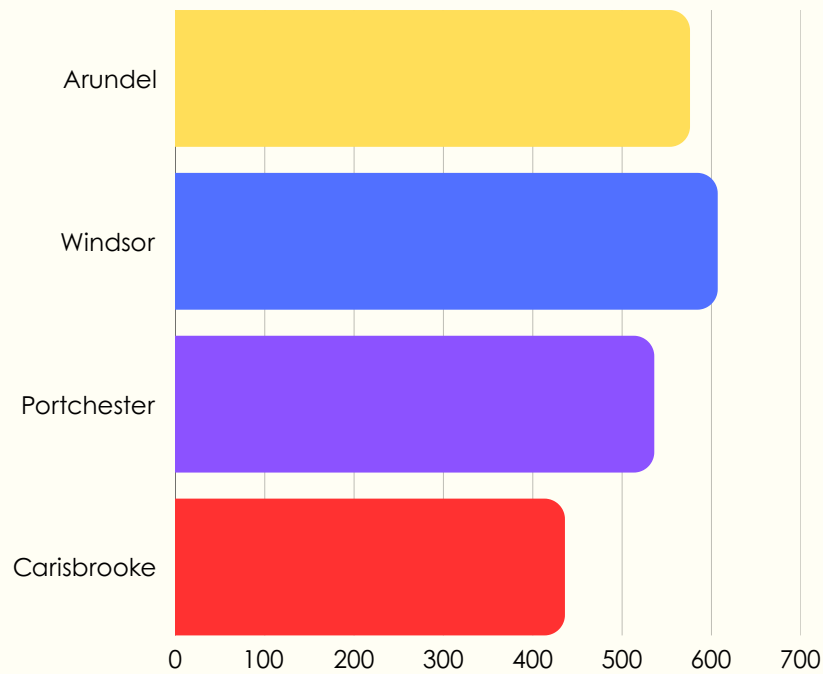

-  1st – Sebastian (3S) – 62m
-  2nd – Ezmai (1W) – 46m
-  3rd – Matilda R. (1W) – 43m

A huge well done to all our players! Keep practising, keep having fun and let's see who makes it to the top next week!
